

Specialist Commercial Cleaning Services

Initial Facilities provides exemplary facilities management to many of the most successful public and private sector organisations across the UK and Spain. Its range of specialist services includes contract cleaning for commercial or retail premises, specialist cleaning for manufacturing, deep cleaning, IT sanitising, and high level window cleaning.

Airport Cleaning Services

Initial supplies contract cleaning services for airports in the UK and Spain, including washrooms, retail areas, car parks, terminals, external litter picking and high security areas.

Specialist Food Industry Cleaning

Initial has a dedicated division to the food manufacturing and processing sector. It has a particular understanding of the food industry's standards and regulations.

IT Hygiene Services

Phones, faxes, PCs, data centres, and other computer equipment need a regular hygiene sanitising service.

Industrial Cleaning Services

Initial delivers essential cleaning support to keep factories and large industrial sites operating at peak performance.

Hotel and Leisure Cleaning Services

Commercial contract cleaning to hotels, gyms, cinemas, leisure centres and hospitality. Initial provides complete cleaning services for the leisure and hospitality sector.

Commercial Office Cleaning

Initial offers a total office cleaning service tailored specifically to meet each site's needs.

Retail Contract Cleaning Services

Initial's retail cleaning services cover all in-store needs, including washroom, window, store entrance, floor, and EPOS cleaning for shopping centres, and retail stores

Train and Railway Station Cleaning Services

Initial meets the cleaning needs of some of the largest and busiest rail and underground stations across the UK.
