

Rentokil Initial plc: Capital Markets Day
‘Hygiene and Wellbeing – The New Pest Control’
Tuesday, 28 September 2021

The Group will be hosting a Capital Markets Day on its Pest Control and Hygiene businesses on Tuesday, 28 September 2021 to be held in **The Great Hall, Chartered Accountants Hall, One Moorgate Place, London EC2R 6EA.**

The presentations will begin promptly **at 12.00 noon** with a session on our Pest Control business focusing on digital technology, PestConnect, innovation and M&A. After a break for lunch during which attendees will be able to view displays on innovation, digital capability and ESG, the presentations on our Hygiene business will commence. These sessions will include presentations on market trends, our core washroom business, growth opportunities outside of the washroom, expansion of our geographic footprint and M&A, and our financial model to compound growth.

The formal presentations will run until 4.30pm and will be followed by Q&A with the Chief Executive and Senior Management team and a drinks reception.

We have chosen a venue with a very large main meeting room to allow for social distancing but would respectfully request that delegates complete a lateral flow/ PCR test within 48 hours prior to attending the seminar.

The formal presentations will be web cast live and will be available on a replay facility for the foreseeable future.

Should you wish to attend the event and register your name in advance, please email: Katharine.rycroft@rentokil-initial.com.
